

I am writing concerning my opposition to the proposed expansion of Low Power FM (LPFM) in a way that would allow LPFM stations to take priority over current FM services such as K_LOVE 104.3, 96.9, 102.3 on our FM dial. K-Love serves me, my family and my friends in a positive way in our local community. K-LOVE radio is a positive,, encouraging, motivating station for our community and without K-LOVE we would be emotionally distraught. IF K-LOVE were displaced by a LPFM broadcaster providing other programming our community would suffer tremendously. The service provided by K-LOVE radio stations is for the "good of all" and clearly motivates all of us to be better people and to encourage us to treat other people in a positive manner. Thank you for your help.
